

# NEWSLETTER

Dear Families,

Welcome to all students, staff and families to the start of the 2026 school year. It has been great to see so many excited and happy faces as I visited classrooms today. A special welcome also to the new families and students who have joined our St. Thomas More school community. I look forward to getting to know you all throughout the year and hope that you enjoy your time at our wonderful school.

We understand that the start of the school year can be exciting, but it can also be a stressful time for families. I want to remind you that our staff are here to support you and your child. If you have any questions or concerns, please do not hesitate to reach out to us.

## We begin our school year with our school prayer.

Dear Lord,

Bless our St Thomas More School community where we Live, Learn and Thrive,

Help us to Live with Your Love.

Help us to Learn with your Spirit.

Help us to Thrive with your Blessing.

Amen

## NEW BISHOP FOR BALLARAT

Over the holidays Pope Leo XIV appointed Parish Priest, **Fr Mark William Freeman** (aged 66), as the new Bishop of Ballarat. He will succeed **Bishop Paul Bird CSsR** who has led the diocese since 2012. Fr Mark Freeman will be ordained to the episcopacy and installed as the ninth Bishop of Ballarat in mid-March 2026. We look forward to welcoming Fr Mark Freeman to our school community.

## UPCOMING EVENTS

The **Literacy Learning Parent information session** will be held tomorrow, **Thursday 29<sup>th</sup> January** from **5pm – 6.30pm**. All parents are warmly encouraged to attend this session, and children are most welcome and will be supervised by staff outside in the yard.

Our **Beginning of School Year Mass** will be held on **Friday 6<sup>th</sup> February, at 9.15am** in the school's multipurpose room. All members of the school community are welcome to join our mass.

## Parent Teacher Meetings

You are invited to attend a 10-minute parent teacher meeting with your child's teacher on either **Monday 9<sup>th</sup>** or **Tuesday 10<sup>th</sup>** **February**, between 3.30pm and 6:00pm. These interviews will be held in your child's classroom. The purpose of this meeting is to have time with your child's teacher so that they can gain a deeper understanding of both yours and your child's expectations and aspirations for 2026. We deliberately make this meeting an opportunity for the teacher and parent/s to talk privately in the absence of the child. Staff will supervise children outside on the playground if required. Bookings for the interviews can be made through the PARENT ACCESS MODULE (PAM) <https://pam.stmalfredton.catholic.edu.au> and follow the instructions to organise a convenient time.

## LUNCH ORDERS

The online canteen will recommence tomorrow. The online canteen is available each Thursday and Friday throughout our school terms. Orders close at 8am on the days that the online canteen is open. A small percentage from all canteen items sold goes towards P&F fundraising at St Thomas More Catholic Primary School. The company that runs the online canteen is called QuickCliQ. Please note, if lunch orders were placed for your child/ren in 2025, you will need to change their class to their 2026 classroom number so that their order gets delivered to their new/current classroom.

## SCHOOL UNIFORM

A few uniform reminders regarding uniform requirements:

**Hats** - Students must have a school hat to wear whilst outside during Terms 1 and 4. The wide brim hat is the correct hat to wear, not the old blue bucket hat.

**Earrings** - Students may only wear sleepers or small studs.

**Nail Polish** - Students are not to wear nail polish to school.

**Tattoos** - Student may not wear visible temporary tattoos or transfers.

**Hair** – Students with hair below the collar of their shirt or dress must tie it back. Students must not have their hair coloured and are required to wear conventional haircuts only.

**School bags** - all students are encouraged to use an approved STM school bag this year (either brown or blue). The blue school bag will be compulsory for all students from 2027 onwards.

**Shoes** – when wearing the academic uniform, students must wear all black shoes.

## ANAPHYLAXIS

Several of our students at school are anaphylactic and for their families, sending them to school can be very stressful, not knowing which foods they might come into contact with. To assist with limiting accidental exposure to food allergens we request that parents assist us in maintaining a safe environment by making the choice not to pack nuts or peanut butter, in your child's lunchbox.

## 2026 FEE PAYMENT AGREEMENTS

A reminder that families should have returned their 2026 Fee Payment Agreement. If you are yet to do so, we ask that you please do so ASAP. If you have any questions or queries, please contact the school office.

## SchoolTV -A Special Report: EMBRACING CHANGE & NEW BEGINNINGS

Here is the link to your special report: [Embracing Change and New Beginnings](#)

'Change is a natural part of growing up. Whether it's the start of a new school year, moving between year levels or stepping beyond the school gates for the final time, each transition brings a mix of emotions, presenting both opportunities and challenges. These shifts call on young people to adjust to new routines, navigate unfamiliar environments and develop emotional flexibility. While some may embrace these changes, others may find the disruption unsettling and struggle with the loss of predictability.

Research shows that periods of transition are often linked to heightened anxiety, reduced academic engagement and changes in peer relationships. For families, these periods can also bring added stress. Recognising the emotional and psychological impact of change helps us respond more effectively and supportively.

While change can feel daunting, it also offers valuable opportunities for young people to learn and grow. By normalising uncertainty and encouraging open conversations, we help young people face new beginnings with curiosity rather than fear. When children are surrounded by guidance, encouragement and consistent structure, they're far better equipped to manage life's transitions with confidence and resilience.

We hope you take time to reflect on the information offered in this Special Report, and as always, we welcome your feedback.

If you do have any concerns about the wellbeing of your child, please contact the school for further information or seek medical or professional help.' (School TV, 2025)

I look forward to a great year working alongside all the members in our school community.

May God bless you all and keep you safe,

Mr. Simon Duffy,  
Principal
